

1. Aktivieren Sie den Button „Untertitel“

2. Klicken Sie auf den Button „Einstellungen“
3. Wählen Sie „Untertitel“ aus.

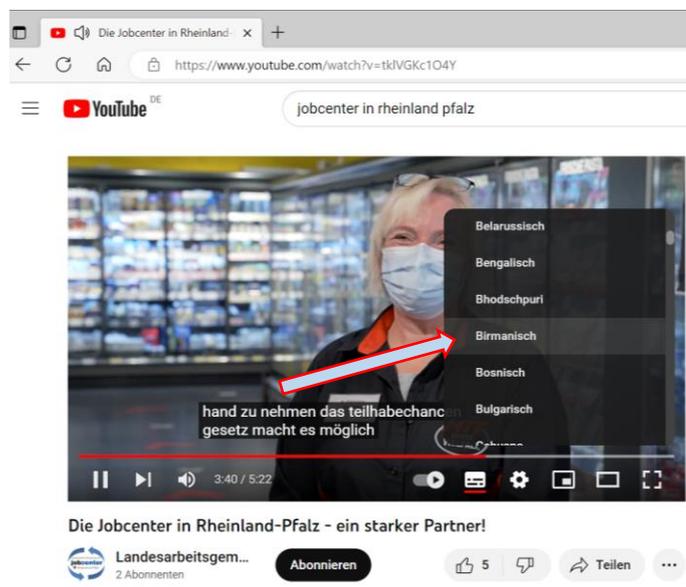

4. Klicken Sie auf „Automatisch übersetzen“

The screenshot shows a YouTube video player with the subtitle settings menu open. The menu is titled 'Untertitel' and has an 'Optionen' button in the top right. The 'Aus' option is selected, and the 'Automatisch übersetzen' option is highlighted with a red arrow. Below the menu, the video player shows a woman speaking and the subtitle 'integration die bedeutet eine'. The video title is 'Die Jobcenter in Rheinland-Pfalz - ein starker Partner!' and the channel is 'Landesarbeitsgem...' with 2 subscribers. The video has 5 likes and a 'Teilen' button.

5. Wählen Sie die gewünschte Sprache aus. Ende.

The screenshot shows the same YouTube video player as in the previous step, but with the subtitle language selection menu open. The menu lists various languages: Belarussisch, Bengallisch, Bhodschpuri, Birmanisch, Bosnisch, and Bulgarisch. A red arrow points to the 'Birmanisch' option. The video player shows a woman wearing a face mask and the subtitle 'hand zu nehmen das teilhabechanc gesetz macht es möglich'. The video title is 'Die Jobcenter in Rheinland-Pfalz - ein starker Partner!' and the channel is 'Landesarbeitsgem...' with 2 subscribers. The video has 5 likes and a 'Teilen' button.
